Alma Mater

In Southwestern Mississippi
Towering toward the sky,
Proudly stands our Alma Mater
As the years go by.

Forward ever be our watchword;
Conquer and prevail.
Hail to thee our Alma Mater!
All Southwest! All Hail!

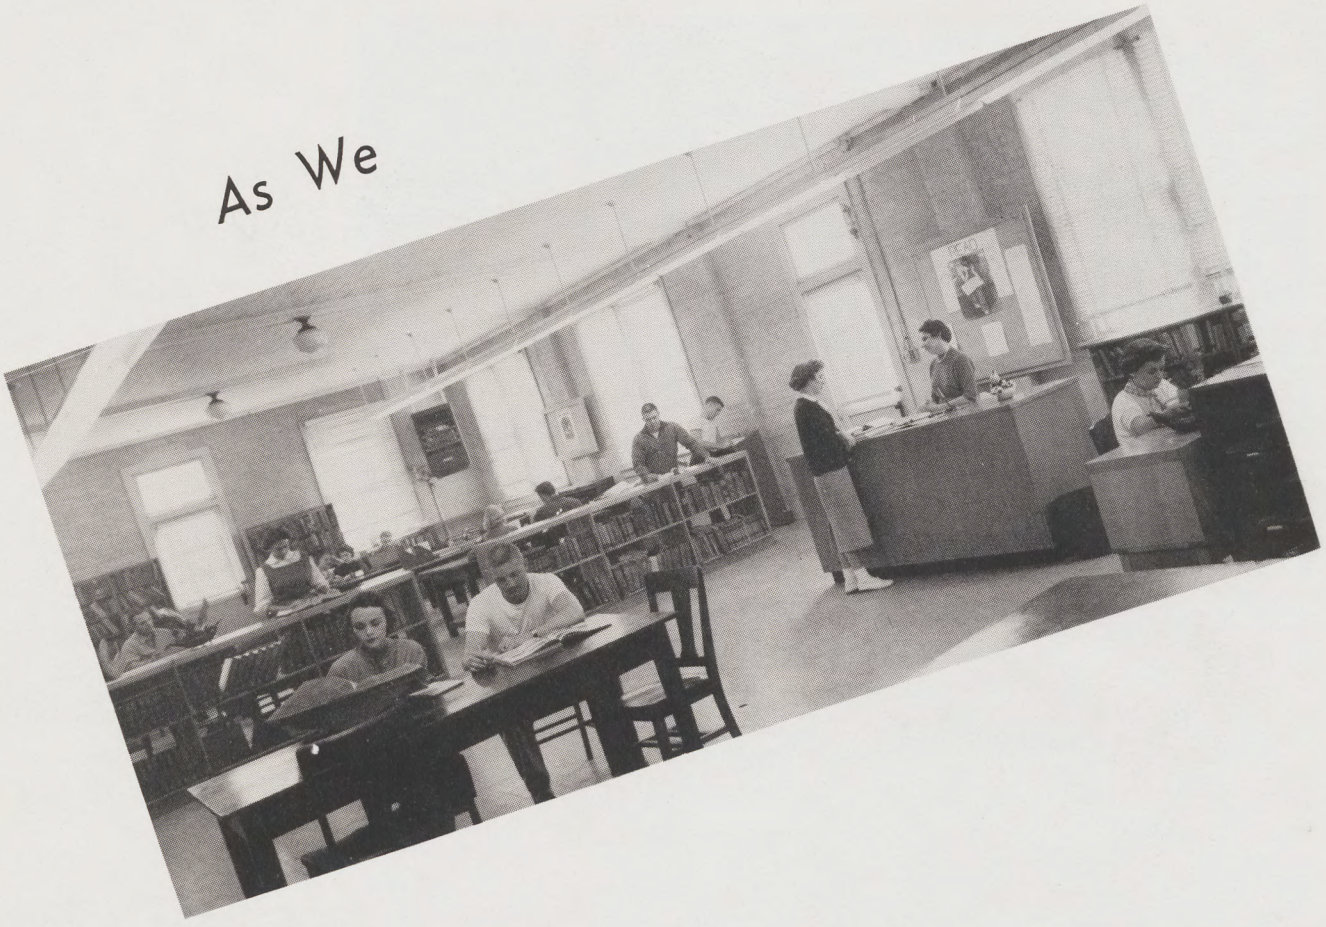

Presenting

SOUTHWEST

1957

As We

Toil,

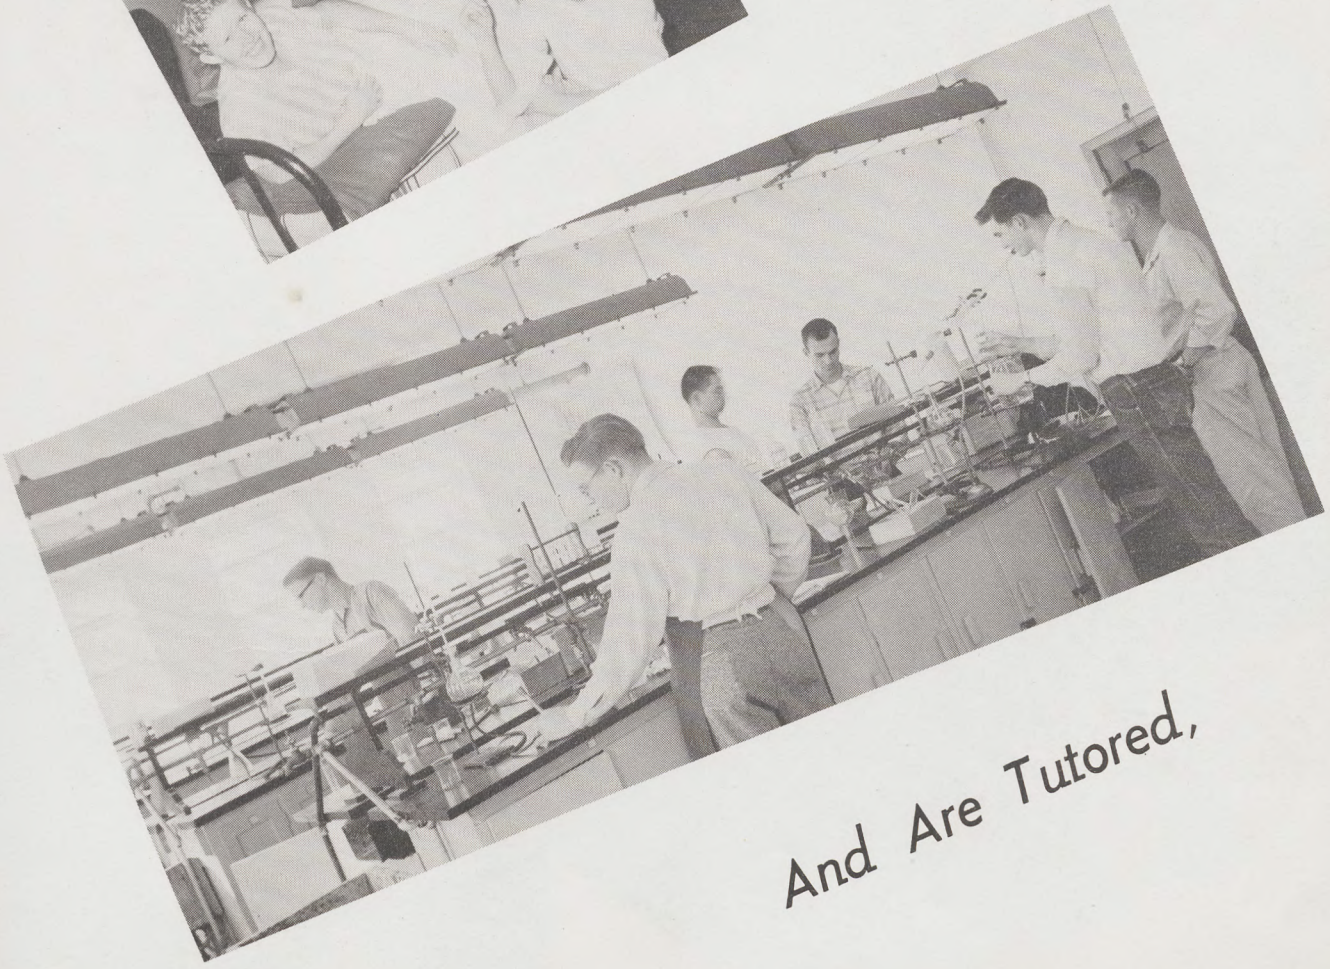

Talk,

And Are Tutored,

Play,

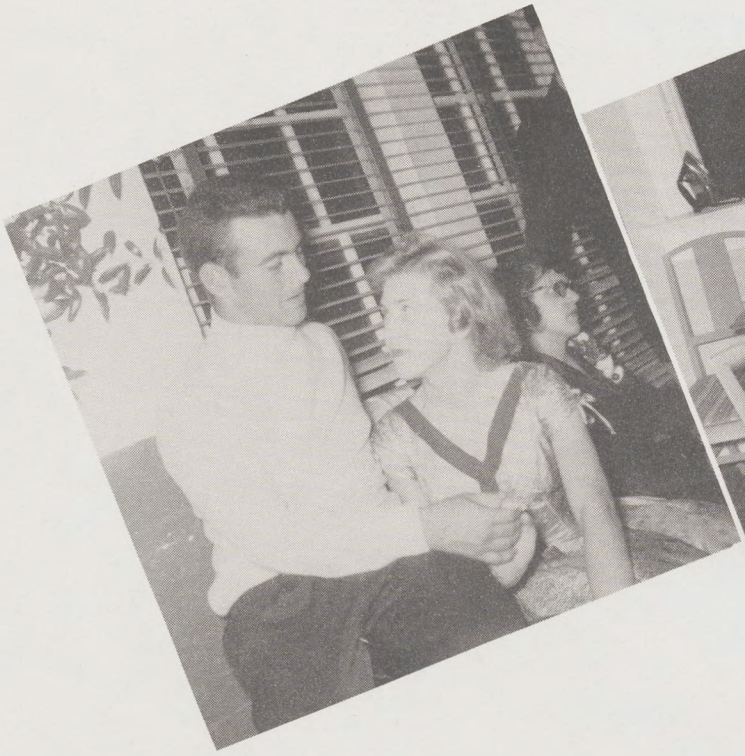

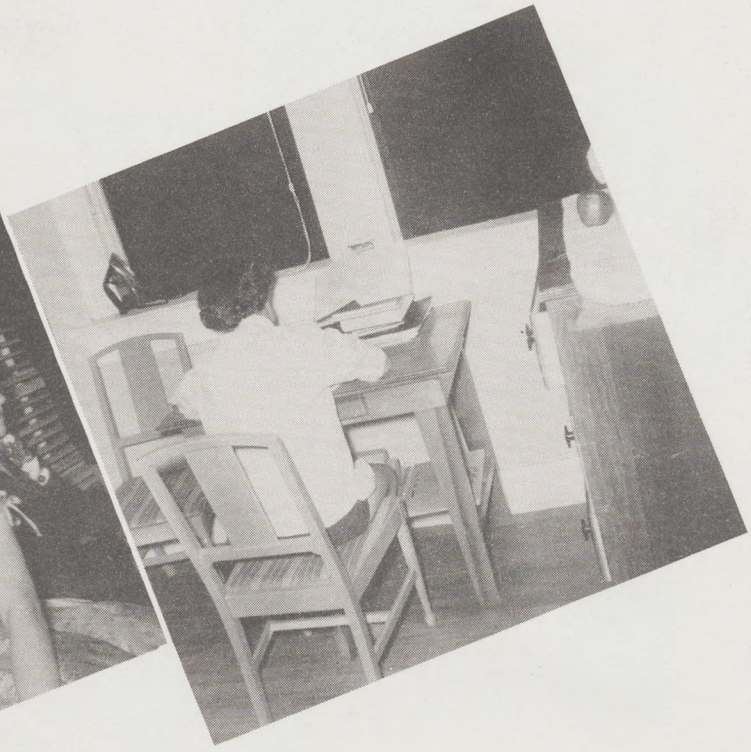

Party,

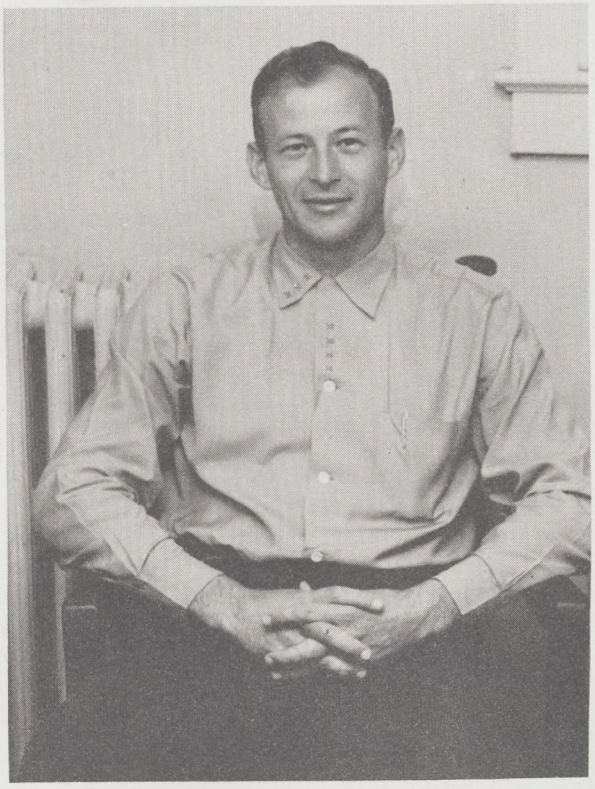

And

Are Serious, Too,

Dedication

As Coach Glyn Slay prepares to end five years of service to Southwest Junior College, it is appropriate that we dedicate this annual to him as a tribute to his high purpose and sincere interest in the welfare of this college.

While setting new records on the athletic field, Coach Slay has gained for Southwest recognition as an aggressive competitor in the JC conference.

His professional statue has aided in bringing well-deserved honors to many outstanding players by claiming at least one place on the All-State team each year, and one year as many as three. Coach Slay gave Southwest one of Mississippi's three All-American JC players which brought national prestige to our school.

All of our fine faculty do commendable work in their departments but few have been willing to work unselfishly wherever the need appeared to aid Southwest in the giant strides of progress she has made in the last few years. Every department on the campus has benefited in some way from his interest and efforts. He has stood firm for his convictions of what was right for Southwest often knowing his position might prove unpopular.

It is in appreciation of this willingness to serve Southwest outside the boundaries of his own responsibilities, that this tribute is made to Coach Slay.

Our President is always available for consultation and guidance to both faculty and students alike.

The Sophomore Class of '56-'57
Southwest Mississippi Junior College
Summit, Mississippi.

As you are making your contribution to our institution through your good works and enthusiasm, you are gaining for yourselves a place in the hearts of those that will follow in your paths.

I feel that you are living in the greatest age of all time. Things that seemed to be boulders in the paths of progress in years past, have now become mere pebbles. This has been accomplished by a better preparedness to meet the great problems that confront us.

May you continue with your preparations to meet in a noble way the challenge of any problem of life that would tend to impede your progress. May you apply your knowledge to make the world a better place in which to live.

Sincerely,

M.T. Huddleston

The Women's Recreation Association is an outgrowth of the girls' Physical Education program with the purpose of creating interest in sports on the recreational level. Thorough instruction is given in each sport, after which a tournament is held with the freshman, and sophomore and high school students making up two teams. Points are given to the winning team which are totaled at the end of the year. The winner is entertained with a social by the losing team. A trophy is also given to the girl with the most accumulated points at the graduation exercises. Archery, badminton, table tennis, shuffleboard, basketball, volley ball, softball and tennis make up the sports of this worthwhile organization.

The Bear's High Command

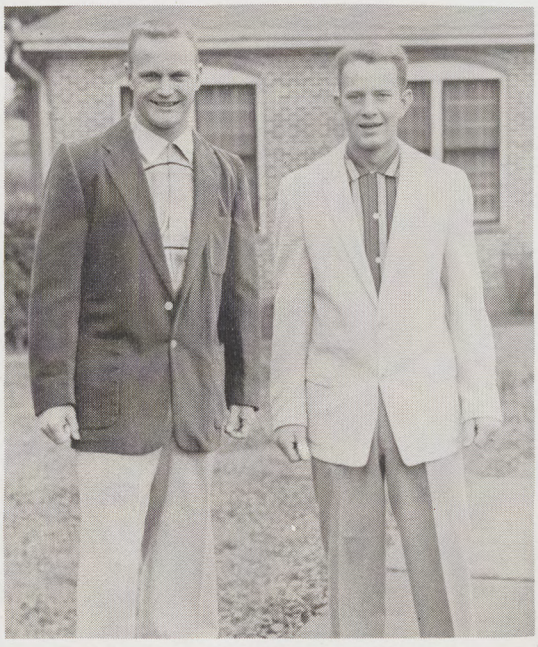

Coach Ed Massey, Head Coach Glyn S. Slay, Coach Wesley Clark

During the 1956 Football season, the Bears were forced to rest on their 1955 laurels when they set a new record for wins in the history of the school. Oddly, the 1956 won-lost record was exactly the reverse of the 1955 season.

The Bears lost several games by close scores but were never embarrassed during any encounter. They completed the season with the dubious honor of being first in the Junior College league defensively.

The Inside Story On Football

Everything always began in the dressing room as they girded for the gridiron. They all had the same gear to put on but it always took some boys longer. Caution or Vanity?

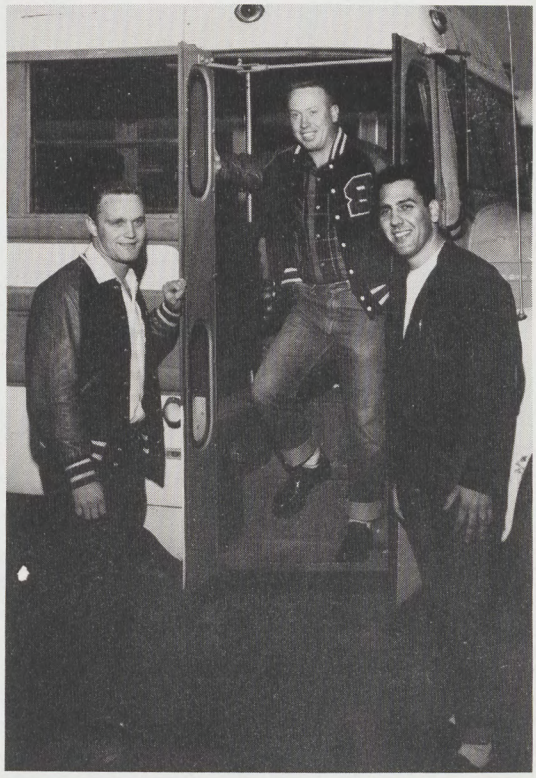

They began practice with calisthenics, but there is no point in showing that since this is the way Coach Slay believed in "practicing" football.

After a turn of good practice, or maybe bad practice, they were allowed to rest as they watched their team-mates work. They seemed to take this pretty seriously.

They covered many miles on the old bus. How much shorter the ride home when they had won!

But the time eagerly awaited every afternoon . . . out the gate and to the cafeteria.

The fans were faithful this year and sometimes treated us pretty special. (No girls, so they just sat around and talked.)

There were some pretty rough times during the 1956 football season, but the Bears can still smile.

Girls Basketball

The Southwest Girls' Basketball Team, coached by Miss Mary Louise Ott, played a number of local and independent teams this year. Their season was climaxed by entering the Gulf Coast Independent Tournament at Picayune on February 26. This tournament is made up of some of the outstanding girls' teams in the State and is sponsored by the Picayune YWCA. Even though the State Junior College Association no longer sponsors competition in girls' basketball, much interest is shown in the Southwest team and they receive excellent support from our student body.

Captain Janice Miller, Coach Mary Louise Ott, Co-Captain Betty Albritton

Our team members are Betty Albritton, Elizabeth Calhoun, Doris Rushing, Jo Moore, Norma Williams, Janice Miller, Mary Jo Carruth, Donna Newman, Celeste Hudson, Frances Till, and Shirley Boddie. Miss Ott, as usual, is standing behind her group.

Religious Emphasis Week

Reverend George Eliot Jones, Methodist minister and District Superintendent of the Vicksburg District, was an inspiration to students and faculty alike as he led in Religious Emphasis Week with "My Recommendations for Youth" as his theme.

In addition to his challenging messages, Rev. Jones assisted in planning later religious activities,

met with and counseled Southwest students,

and had time for activities planned in his honor.

Valentine Ball February 13, 1957

The 1956 Valentine Queen, Mrs. Nora Anderson, relinquishes her crown to the 1957 Queen, Alberta Futch.

The Valentine Ball, held in the beautifully decorated cafeteria, was sponsored by The Pine Burr, with the editor, Alberta Futch in charge of the arrangements. The college orchestra furnished the music and the highlight of the evening was the crowning of the queen who was chosen by off-the-campus judges.

Each club on the campus sponsored a sweetheart who was escorted by the club president in the lead-out.
